Unisem Receives Three Best Supplier Awards from Analogic Tech (AATI)

Kuala Lumpur, 14 April, 2010 – Unisem recently received three Best Supplier Awards from Analogic Tech. These awards were in recognition of excellent service by Unisem Ipoh, Unisem Chendu and Unisem Advanced Technologies.

Mr. Allen Lam, AATI's VP of Operations stated, "It is only through your diligent efforts and creative achievement that we can and shall excel as an enduring world class business enterprise. It is our pleasure to work with such a competent team and we look forward to expanding our space in the challenging semiconductor industry together".

Receiving the award on behalf of Unisem Ipoh was the factory's COO, C.S. Ho. The award for Unisem Chengdu was accepted by Group COO, C.H. Ang and UAT's General Manager, SC Lau, accepted the award for UAT.

Advanced Analogic Technologies (AATI) develops advanced semiconductor system solutions that play a key role in the continuing evolution of feature-rich, energy efficient electronic devices. The company focuses on addressing the application-specific power management needs of consumer devices such as mobile handsets, digital cameras, and netbooks/notebooks, as well as devices in a broad range of industrial, medical and telecom applications.
