Unisem Receives Supplier Excellence Award from Mindspeed

Kuala Lumpur, 3 March, 2009 – Unisem recently received a Supplier Excellence Award from its customer Mindspeed. Unisem's facility in Ipoh was given this award in recognition of the factory's continued support, partnership commitment & delivery performance for 2008. Special recognition for their "Outstanding Performance" was given to Alice Rani (Production Control), Jammy Tan (Sr. Customer Service) and Rino de Leon (Business Development Manager).

Mindspeed Technologies, Inc. designs, develops and sells semiconductor networking solutions for communications applications in enterprise, access, metropolitan and wide area networks.
