

News Release

Unisem (M) Berhad ("Unisem") received Outstanding Support Award from Nexsem Inc.

Kuala Lumpur, 24 July, 2008 – Unisem received the "Outstanding Support Award for 2007" from its valued customer Nexsem Inc. ("Nexsem"). Nexsem designs and manufactures proprietary and standard integrated circuits. This award recognizes outstanding support from marketing, engineering and production.

Presenting the award to Unisem was Mr Amir Asvadi, President of Nexsem, "I would like to thank Unisem for their great service and support given by the Marketing, Engineering and Production team which helped our business grow in 2007," said Mr Amir Asvadi.

Receiving the award, Unisem's Senior Vice President/Chief Operating Officer, Mr CS Ho commented, "Unisem is pleased to be given the opportunity to grow and further strengthen the business relationship with Nexsem".
