### **Unisem Receives 2011 Supplier of the Year from Swindon Silicon Systems**

Kuala Lumpur, 12 January, 2011 – Unisem recently received the 2011 Supplier of the Year award from its customer Swindon Silicon Systems. This award was presented to Unisem Chengdu for outstanding quality and delivery performance in 2011. The award was presented to Unisem by Geoff Hall, Managing Director of Swindon Silicon Systems.

SWINDON Silicon Systems is a market leader in the design, test and supply of high performance custom analogue and mixed signal ASIC solutions. As the UK's leading specialist supplier, SWINDON offers unparalleled commercial and technical know-how which enables our customers to be leaders within their chosen market. Utilizing SWINDON's high quality, system enhancing solutions ensures that the competition is beaten both on price and performance. With over 400 man years of experience in one of the top design teams in the industry, SWINDON's ASICs are used in Automotive, Industrial and Consumer applications all over the world.
