### **Unisem Receives Award for Exceptional Service from Semtech**

Kuala Lumpur, 14 July, 2010 – Unisem recently received an award from Semtech for “Appreciation of exceptional service and support to Semtech’s \$100 million revenue quarter”. The award was presented to Unisem by Mohan R. Maheswaran, President and CEO of Semtech along with Clay Beltran, Vice President of Worldwide Operations of Semtech.

Semtech Corporation is a leading supplier of analog and mixed-signal semiconductors for high-end consumer, computing, communications and industrial equipment. Products are designed to benefit the engineering community as well as the global community. The company is dedicated to reducing the impact it, and its products, have on the environment. Internal green programs seek to reduce waste through material and manufacturing control, use of green technology and designing for resource reduction. Publicly traded since 1967, Semtech is listed on the NASDAQ Global Select Market under the symbol SMTC. For more information, visit <http://www.semtech.com>.
