Press Release

Appointment of Senior Vice Presidents

Kuala Lumpur, 16 November 2005 - Unisem (M) Berhad ("Unisem" or the "Company") today announced the appointment of four Senior Vice Presidents as follows:-

- 1) Mr Ho Choon Seng as Senior Vice President, Chief Operating Officer
- 2) Mr Loh Chee Cheong as Senior Vice President, Chief Financial Officer
- 3) Mr Jeffrey Scott Baloun as Senior Vice President, Worldwide Marketing
- 4) Mr Mohamed Djadoudi as Senior Vice President, Chief Technology Officer

Their respective profiles are as follows:-

Ho Choon Seng, Senior Vice President, Chief Operating Officer

Mr Ho, aged 50, is responsible for managing the day-to-day activities of the Unisem Ipoh operations. Mr Ho holds a Diploma in Mechanical Engineering from the Singapore Polytechnic, a Diploma in Management from the Malaysian Institute of Management and a Master of Business Administration from the University of East Asia, Macau. Mr Ho joined the Company in 1992 as an engineering manager and was promoted to vice president in 2001, responsible for all manufacturing operations of the Company. Prior to joining the Company, Mr Ho was with Motorola (M) Sdn Bhd as engineer for 15 years from 1976 to 1991. Mr Ho has over 29 years experience in electronic engineering and the semiconductor industry.

Loh Chee Cheong, Senior Vice President, Chief Financial Officer

Mr Loh, aged 52, is responsible for all controller functions, tax, treasury operations, risk management and development of internal audits. In addition to his finance responsibilities, Mr. Loh is also in charge of management information and general administration. Mr Loh is a fellow of the Association of Chartered Certified Accountants and a member of the Malaysian Institute of Accountants. Mr Loh joined the Company in 1991 as Financial Controller and was promoted to vice president, finance and administration in 2001. Prior to joining the Company, Mr Loh spent 13 years in private practice with accounting firms and three years from 1988 to 1991 with Carsem (M) Sdn Bhd.

Jeffrey Scott Baloun, Senior Vice President, Worldwide Marketing

Mr Baloun, aged 43, is responsible for the worldwide marketing, new business development, sales and customer service activities. In addition to his worldwide marketing responsibilities, Mr. Baloun is also the managing director of Unisem Europe Limited, which holds the semiconductor assembly and test facility in Wales. Mr Baloun holds a Bachelor of Science in Computer Science and Management from the Florida Institute of Technology, Melbourne, Florida. Prior to joining Unisem (Europe) Limited as managing director in 1999, Mr Baloun held various senior management positions, including amongst others, General Manager of ASAT (UK) Ltd, and Director of operations at Alphatech – Mantecca U.S.A. Having begun his career in 1983, Mr Baloun has over 22 years experience in electronic engineering and the semiconductor industry.

Mohamed Djadoudi, Senior Vice President, Chief Technology Officer

Mr Djadoudi, aged 45, is responsible for defining the strategic technology direction, R&D focus, package and test development. Mr Djadoudi is also the Chief Technology Officer of Unisem (Europe) Limited. Mr Djadoudi holds a Bachelor of Science in Electronics from the Lycée Diderot, Paris, a Master of Science in Electronics, Electrotechnics and Automation from the University of Orleans and a Degree in Mathematics from the University of Paris-Every. Prior to joining Unisem (Europe) Limited in his current capacity in 1999, Mr Djadoudi was the European Test Director of ASAT (UK) from 1996 to 1998 before being promoted to Vice-President of World Test Operation at ASAT's headquarters in Hong Kong. Having begun his career in 1982, Mr Djadoudi has over 23 years experience in the electronics industry.
