Kuala Lumpur, 2 August 2007 Unisem (M) Berhad ("Unisem" or the "Company") today announced the appointment of Mr Bruno Guilmart as Executive Director/Group Chief Executive Officer and re-designation of Mr Ang Chye Hock as Executive Director/Group Chief Operating Officer.

Mr Guilmart, aged 46, was appointed to the Board of the Company effective 2 August 2007 with a position of Executive Director. As Group CEO, Mr Guilmart assumes responsibility for the Group's overall operations, sales & marketing and business development. Mr Ang, aged 57, was appointed to the Board of the Company on 28 November 2002 as an Executive Director. As Group COO, Mr Ang assumes responsibility for the Group's operations in five countries, including Malaysia, UK, China, Indonesia and USA.

Mr Bruno Guilmart was the President and Chief Executive Officer of Advanced Interconnect Technologies Limited ("AIT"). Prior to that, Mr Guilmart comes from Chartered Semiconductor Manufacturing Limited, Singapore, one of the world's leading silicon foundries, where he held the position of senior vice president for worldwide sales and marketing. Mr Guilmart was vice president of professional services for Cadence Design Systems, Inc., Hong Kong where he managed operations in the Asia Pacific region. He was managing director (Asia Pacific) of Temic Semiconductors GmbH, Hong Kong, a member of the Daimler Benz Group. He also held marketing and business development positions with Hewlett Packard in Europe, United States and Asia. Mr Bruno Guilmart holds a Master Degree in business and electronics management and a Bachelor Degree in electrical engineering from the University of Paris South, University Institute of Technology in France.

Mr Ang Chye Hock was the Chief Operating Officer of the Company from 2001 to 2005 and President from 2001 to 2007. Mr Ang began his career with Motorola Malaysia. At the age of 29 in 1979 Mr Ang was appointed General Manager of Motorola Semiconductor Sdn Bhd, Seremban. Mr Ang brings with him more than 25 years of experience in the electrical and electronic industry. Prior to joining Unisem in 2001, he was in Singapore for 16 years. His experience in Singapore includes being the General Manager of Magnetic Data Technologies Singapore; Managing Director of Wizard Multimedia, a software retail company; Managing Director of Applied Magnetics Singapore Pte Ltd; and Motorola Electronics Pte Ltd. Mr Ang holds a Bachelor of Science in Electronics (Honours) from Salford University, England.

Mr John Chia, Chairman and Group Managing Director of Unisem, commented, "We warmly welcome Bruno to the Unisem Group. Bruno brings with him a wealth of experience in the industry and will no doubt further strengthen the executive resource of the Group and better enable us to pursue our development opportunities, whilst also ensuring focus on our current business."
